

Contents for Techniques for Making Doll Shoes

(<http://www.amazon.com/dp/B00UVHDRTI>)

Introduction

1. Tools

[Scissors](#); [Knives](#); [Razor saw](#); [Small all-purpose saw](#); [Pliers and cutters](#); [Hole puncher](#); [Brushes](#); [Sanding sponge](#)

2. Paints, glues and sealer

[2.1 Paints: Acrylic paints](#); [Enamel paints](#); [Solvents](#) | [2.2 Glues: PVA glue](#); [Super glue and plastic glue](#); [Glue varnish \(Decoupage glue\)](#); [Fabric glue](#) | [2.3 Sealer](#)

3. Mold-making and casting materials

[3.1 Mold-making clay](#) | [3.2 Latex and related materials: Latex](#); [Talcum powder](#); [Plaster](#) | [3.3 Silicone and casting resin: Mold silicone](#); [Separating wax](#); [Casting resin](#) | [3.4 Meltable plastic pellets](#) | [3.5 Other mold-making materials: Mounting tape](#); [Floral tape](#); [Packing tape](#)

4. Other materials

[4.1 Card stock](#) | [4.2 Fabrics, ribbons and threads: Fabrics](#); [Felt](#); [Lace](#); [Ribbons](#); [Card-woven bands](#); [Elastic bands](#) | [4.3 Leather](#) | [4.4 Wood](#) | [4.5 Cork](#) | [4.6 Modeling clay: Air-drying clay](#); [Oven-baked clays](#) | [4.7 Plastic: Soft plastic for uppers](#); [Harder plastics for uppers](#) | [4.8 Metal: Chains](#); [Metal wire](#); [Metal mesh](#); [Jewelry parts](#); [Eyelets](#); [Tin foil](#); [Thin metal tubing](#); [Metal sheet](#) | [4.9 Decorations: Stickers](#); [Sequins and beads](#); [Strings of plastic beads](#); [Decorative sand, glitter, etc.](#); [Various small items](#)

5. Making and using molds

[5.1 Making masters](#) | [5.2 Latex molds: Basic molds](#); [Tubular mold for a high heel sole](#); [Life cycle of a latex mold](#) | [5.3 Silicone molds: One-step process](#); [Two-step process](#); [Fixing problems](#) | [5.4 Casting plaster](#) | [5.5 Casting resin: Using a basic latex mold](#); [Using a tubular latex mold](#); [Using a silicone mold](#); [Fixing flaws](#); [Shelf-life of resin](#) | [5.6 Molds made of metal sheet](#) | [5.7 Card stock molds for modeling clay: Making a pattern](#); [Making heel molds](#); [Making wedge sole molds](#); [Filling the molds](#); [Baking the pieces](#) | [5.8 Using mold-making clay: Flat soles](#); [Two-part mold](#) | [5.9 Latex molds with modeling clay](#)

6. Doll feet

[6.1 Different types of feet](#) | [6.2 Making lasts of feet without ankle joints](#) | [6.3 Feet with ankle joints](#) | [6.4 Lasts of flat feet](#)

7. Normal soles

[7.1 Basic structure for insoles: Making a pattern](#); [Making card stock insoles](#); [Using the insoles uncovered](#); [Covering the insoles with fabric](#); [Covering the insoles with leather](#) | [7.2 Outer soles](#) | [7.3 Outer sole and heel as one piece: Resin soles](#); [Insoles](#); [Polymer clay soles](#); [Plastic](#) | [7.4 Thick soles and platforms: Equal thickness throughout](#); [Platforms](#) | [7.5 Flat soles and low heels: Basic structure](#); [Modeling clay](#); [Fake heels](#)

8. High heels

[8.1 Heels made of wood: Balsa wood; Harder woods; Special items](#) | [8.2 Untreated or painted surfaces: Painted heels; Polymer clay](#) | [8.3 Covering the heels: Covering the sides and cutting the bottom; Cutting the upper edge and gluing the heels in place; Gluing the caps](#) | [8.4 Attaching stilettos with modeling clay: Air-drying clay; Polymer clay](#)

9. Wedge soles

[9.1 Card stock: Basic structure; Modified wedge; Large scales; Other designs](#) | [9.2 Wood](#) | [9.3 Cork: All pieces laid horizontally; Horizontal and vertical pieces; Modified cork wedge soles](#) | [9.4 Covering wedge soles: Materials that can be left uncovered; Painting; Leather; Untreated fabrics; Fabrics treated with sealer; Paper; Other materials](#)

10. Sandals, slingbacks and slippers

[10.1 Making patterns: Straps; Closed toe part; Open toe part; Heel part; Slingbacks](#) | [10.2 Thin materials: Additional support](#) | [10.3 Thick materials: Small scales; Larger scales; Using loops for attaching straps](#) | [10.4 Elastic bands](#) | [10.5 Plastic: Transparent plastic straps; Thick plastic](#) | [10.6 Chains and other special materials](#) | [10.7 Toe part: Symmetrical vs. asymmetrical; Straps; Open toe; Closed toe; Using filler; Faking it](#) | [10.8 Attaching a separate ankle strap: Loop; Glue in place](#) | [10.9 Closing the straps: Beads and buttons; Buckles; Hook and loop; Metal spike through an existing hole; Elastic band loop; Elastic band around the ankle](#) | [10.10 Slingbacks](#)

11. Shoes with closed uppers

[11.1 Making patterns: One-part pattern; Seamless two-part pattern; Two-part pattern for loafers; Insoles](#) | [11.2 Shoes with laces or buckles: Laces; Buckles](#) | [11.3 Loafers](#) | [11.4 Pumps and ballerina shoes: Basic pumps; Ballerina shoes with lining; Two-tone uppers; Variations on ballerina shoes](#)

12. References

[12.1 Glossary](#) | [12.2 Dolls in photos](#) | [12.3 Blog posts](#) | [12.4 List of figures: 1. Tools; 2. Paints, glues and sealer; 3. Mold-making and casting materials; 4. Other materials; 5. Making and using molds; 6. Doll feet; 7. Normal soles; 8. High heels; 9. Wedge soles; 10. Sandals, slingbacks and slippers; 11. Shoes with closed uppers](#)
