

Dressing Gown for Blythe

- Cut the two parts of the pattern, match the star shape and tape the parts together.
- The edge marked "fold" is the middle of the back piece. Fold the fabric in half and place that edge on the fold. What you should get when you cut the fabric is a piece that looks like this:

- Turn and sew the sleeve hems.
- Fold the fabric with right sides together and sew the side seams.
- Turn right side out.
- Turn and sew the hem.
- Finish neck and edges of the front flaps as desired (turn and sew or use ribbon, lace, etc.).
